Japanese Cherry Blossom

Apple things for teachers....love or hate them?

ok

What is something you wish the parents of your students to know?

For your dyslexic student, one of the most important things you can do is to help them study their vocabulary cards and their Read Naturally Live fluency reading each and every day. This will help them progress faster toward their Reading Goals.

What is the most helpful thing that can be done for your class this year?

Parents can help their students with CONSISTENT PRACTICE of his/her concept-vocabulary cards and Read Naturally Live fluency reading.

What is something you do not need any more of?

I DO need more 3X5 notecards, #2 pencils, and Big rectangle erasers (not the small one that fit on the pencils)

What else would you like to share or would like us to know?

I really appreciate how the PTA supports the "Specials" Teachers (IST, Dyslexia, Speech, etc.). We feel so honored by the PTA including us in the gifts and room parents. This really makes the "specials" feel important and part of the school.
